Review: Canon Alberic's Scrap-Book by Montague Rhodes James

Canon Alberic's Scrap-Book was first published in 1904, although it was written in 1894. The story is set in southern France. An English tourist is photographing the interior of the cathedral of Saint-Bernard-de-Comminges at the foot of Pyrenees, when the cathedral's sacristan tries to sell him a strange book. The Englishman is impressed by a drawing in the book.

Canon Alberic's Scrap-Book by M. R. James - Aventrix

M. R. James is the master of the English ghost story, whose tales are inhabited not by ethereal spirits, but by terrifying, palpable forces of evil. In these four stories figures appear in paintings, demonic voices are heard, books awaken ancient horrors - and ordinary objects and situations are transformed into inescapable nightmares.
