Sarah Varney is a senior correspondent with Kaiser Health News. She also reports for NPR s science and health desk and the New York Times, Washington Post,

**XL Love: How the Obesity Crisis Is Complicating America's ...**

An interesting look at how obesity affects the love lives of those afflicted. There are plenty of books on the health and economic impact of obesity, but I don't think I've ever seen one on how it impacts relationships. This book is written from a very knowledgeable, well-researched perspective and is filled with individual stories.

**XL Love: How the Obesity Crisis Is Complicating America's ...**

It is changing and complicating the mating game and married life alike; stunting the ability of young people to find happiness; and tipping some heavy, but otherwise happy, couples into divorce. For many, a larger body has meant a more troubled mind: a decline in sexual quality, an increase in self-loathing, and a tendency to let these factors stand in the way of love.
